

FOR NEW EMPLOYEES

ON-THE-JOB TRAINING

The OJT program is ideal for businesses with difficulty filling skilled labor force needs with qualified, experienced workers.

Benefits:

- Wage reimbursement up to \$4,000 for up to six months
- Program may cover related costs, such as tools of the trade, uniforms and background checks
- Employees may qualify for Tax Credits

Requirements:

- Business must be private/for-profit
- Must have a minimum of three employees other than owners/principals
- Employees must be selected and qualified before training begins
- Candidate must have skills gap

CAREER EXPERIENCE TRAINEE AND PAID ADULT INTERNSHIP PROGRAMS

The Career Experience/Paid Internship programs offer businesses the opportunity to try out potential employees at our cost, while providing needed experiences to candidates lacking specific skills.

Benefits:

- Program is 12 weeks or 360 hours
- Training wages and Workers' Compensation are 100% covered
- Interns are local graduates in a relevant field
- Career Experience candidates have desire to work in your selected industry
- You interview/select pre-screened candidates
- Supportive services can be provided
- Trainees, if hired, may qualify for Tax Credits
- Candidate must have skills gap

FOR EXISTING EMPLOYEES

CUSTOM BUSINESS TRAINING (CBT)

The CBT program assists businesses in meeting training needs of existing employees to maintain a competitive edge in the marketplace.

Benefits:

- Covers 50% of out-of-pocket costs
- Results in skills vital to success of your business
- Training may be for a single employee or multiple employees and may be for up to 12 months
- Ability for business to choose trainer/curriculum
